Please ensure you cancel all bookings if you can no longer attend the parents evening.

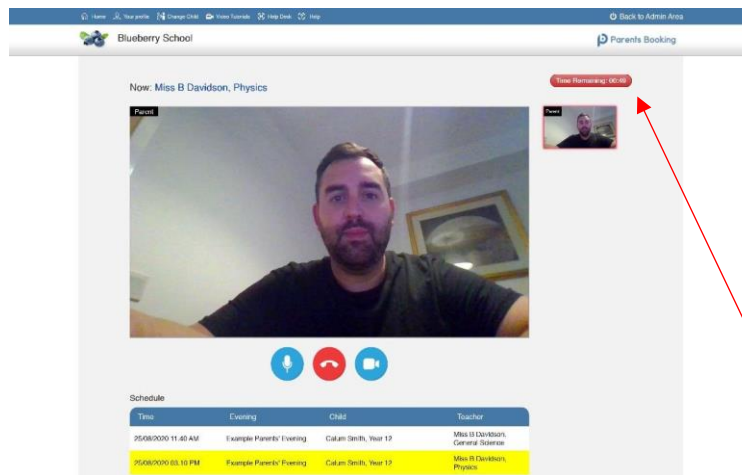

Virtually attending the evening:

You are required to login to Parents Booking again on the day/night using the link on page one of this guide and click the red 'Join Video Call' button next to the parents' evening.

Joining the video call will take you to a video call page, where you will be able to see the teacher once the appointment has started.

To ensure this works, you must give your internet browser permission to use your microphone and camera when requested.

The meeting will automatically close after the 5 minute appointment time runs out and you can see how much time is remaining in the countdown timer at the top right hand side of the screen. There will be a 1 minute buffer between appointments.
