

2017-18 Improvement Plan

Improvement Priority 1:

To raise attainment in reading and maths for all pupils through targeted interventions within classes and through the provision of additional support for learning.

Improvement Priority 2:

To improve Health and Wellbeing of all pupils through accessing a wider range of informative and active pursuits both during school and through after school activities.

Improvement Priority 3:

To improve engagement with parents and local businesses to raise awareness of employability skills and improve pupil understanding about the importance of a positive leaver destination.

Improvement Priority 4:

To improve and enhance the spread of the 1+2 programme to include all pupils having exposure to two foreign languages.

Pupil Equity Fund interventions and intended impact

See attached plan.
