

# Chryston Primary

Work Hard  
Be Kind  
Show Respect

Weeks beginning 21<sup>st</sup> and 28<sup>th</sup> September and 5<sup>th</sup> October 2020

Primary 4 with Mrs Mutch/Mrs Cornwell and Mrs Murray

[gw09cornwellsusan@glow.sch.uk](mailto:gw09cornwellsusan@glow.sch.uk) , [gw11mutchelizabeth@glow.sch.uk](mailto:gw11mutchelizabeth@glow.sch.uk) and  
[gw11murraykaren@glow.sch.uk](mailto:gw11murraykaren@glow.sch.uk)

Welcome to our first 'learning from home' newsletter of the session. After the October week, we hope to move our home learning onto the Glow platform and into Glow teams. It is vital that you check the Glow log in works for your child. Once in Glow, please click the house at the side and then you should see a **Microsoft team** tile. Click on this to see if your child is a member of 2 Glow teams – their stage team NLC Chryston P4 and their class team, either NLC Chryston Mutch/ Cornwell or NLC Chryston Mrs Murray. If everything works then these two teams should appear. You are not required to do anything except check your child can see these teams and can open them. Please email [gw09mcintyrelinnda4@glow.sch.uk](mailto:gw09mcintyrelinnda4@glow.sch.uk) if you are unable to log onto Glow.

At this point we are only giving out Literacy and English and Numeracy and Mathematics tasks for homework. These are suggested tasks so you can decide how many items you want your child to complete. The email address for your child's teacher is there so any completed home learning tasks can be sent to the teacher via Glow Outlook.

Remember that children should only use the staff emails to share their homework with their teacher or ask for clarification of a task.

## Numeracy and Mathematics tasks

We will continue to keep all classes covering the same concepts within each CfE level. This will support the teaching and learning in case we have to return to learning from home. All First level P2-4 pupils are working on place value, addition, subtraction and shape until October week.

Here is a list of suggested tasks to do at home to complement the learning in class –

- Add 334 to the following numbers. You can choose to do this using the vertical or horizontal method: 147, 239, 248, 306, 356, 128, 467, 582, 478 e.g  $334 + 147 =$
- What two numbers added together equal 32: e.g.  $16 + 16 = 32$ ;  $12 + ? = 32$ . Make up your own calculations to create 6 sums that add to 32.
- Try out the word problems or other activities on this site: <http://www.math-exercises-for-kids.com/math-4.htm>.
- Name and list all the 3D objects you can spot about the house or outside.
- Create a picture poster using 3D objects – e.g an autumn scene or Swing Park.
- Ed City - Play Live Multiplication can be found at: <https://www.educationcity.com/>
- Maths Sumdog week competition – 1000 questions to answer starting 25<sup>th</sup> September to 1<sup>st</sup> October.
- Maths week is the week beginning 28<sup>th</sup> September. We'd like the children to enter a national competition. *Maths inside* is a photo competition open to everyone living in Scotland. Three themes to choose from - *in the home, oot an' aboot* and *complete the pattern*. Details of this can be found at <https://mathsinside.com/>

## Literacy and English tasks

Please read a book from home daily for a minimum of 30 minutes.

### Spelling Words to Practise

Week beg 21<sup>st</sup> Sept

face      train  
place     afraid  
holiday    they  
may       obey

Week beg 28<sup>th</sup> September

escape      airport  
mistake     explain  
birthday    valley  
yesterday    monkey

Week beg 5<sup>th</sup> Oct

above      first  
eight      hear  
eighteen    listen  
breakfast    nineteen

Here is a list of suggested tasks to do at home to complement the learning in class –

- The following tasks have been set up in Education City: The Plot Thicken, PlayLive Words and Making Baskets. Have fun trying out these tasks under P4 Literacy and Maths.
- Make your spelling words from things found in your home.....and take a picture of them.
- Choose a fun spelling task such as graffiti spelling , UPPER CASE or lower case.
- Draw a picture...choose a passage to read from a book you have and then draw what is happening.
- Creating Silly sentences...begin by writing piles of words on cards or paper. Nouns, adjectives, and verbs. Take cards from each pile and see what silly sentences you can create.
- Choose a character out of a book or a film and create a visualiser. Include a drawing of the character and write 6 things about your choice.

***Children will be issued with a list of their own log in for Education City. Please check their bags for this important information.***

## Online log ins

Please check that your child can log into the following online platforms which will be used in school and at home throughout the coming session.

**Sumdog** is paid for by North Lanarkshire Council to support all schools with Maths and Spelling and can be accessed online or via the app – [https://www.sumdog.com/user/sign\\_in](https://www.sumdog.com/user/sign_in) . Spelling will not be active until the contract is renewed by NLC in October.

**Glow** is an online Scottish schools intranet which is used to share learning with pupils. This is also used in the event of a lockdown and for pupils to access learning and teaching at home-  
<https://sts.platform.rmunify.com/account/signin/glow>

**Education City** is an online website, paid for by the school that supports learning across all curricular areas. <https://www.educationcity.com/> Play Live Multiplication

Children will be issued with a list of their own log ins so please check their bags for this important information.
