

# Chryston Primary

Work Hard  
Be Kind  
Show Respect

Weeks beginning 21<sup>st</sup> and 28<sup>th</sup> September and 5<sup>th</sup> October 2020

## Primary 7 with Miss Kinloch and Miss Anderson

[gw14kinlochkathryn@glow.sch.uk](mailto:gw14kinlochkathryn@glow.sch.uk) and [gw17andersonmikaela1@glow.sch.uk](mailto:gw17andersonmikaela1@glow.sch.uk)

Welcome to our first 'learning from home' newsletter of the session. After the October week, we hope to move our home learning onto the Glow platform and into Glow teams. It is vital that you check the Glow log in works for your child. Once in Glow, please click the house at the side and then you should see a **Microsoft team** tile. Click on this to see if your child is a member of 2 Glow teams – their stage team NLC Chryston P7 and their class team NLC Chryston Miss Kinloch or Miss Anderson. These two teams should appear. You are not required to do anything except check your child sees these teams and can open them. Your child's teacher's email is there for your child to email the home learning they complete from this newsletter - they can do this via their Glow Outlook. Please email [gw09mcintyrelinda4@glow.sch.uk](mailto:gw09mcintyrelinda4@glow.sch.uk) if they are unable to log onto Glow.

At this point we are only giving out Literacy and English and Numeracy and Mathematics tasks. These are suggested tasks . It is up to you as a parent how many tasks you wish your child do.

Remember that children should only use the staff emails to share their homework with their teacher or ask for clarification of a task.

## Numeracy and Mathematics tasks

We continue to keep all classes covering same concepts within each CfE level to support the teaching and learning if we end up learning from home. All Second level P5 -7 pupils are working on Addition, Subtraction and Shape until October week.

Here is a list of suggested tasks to do at home to complement the learning in class –

- Add **478** to the following numbers **1)1,945 2)3,483 3)234.56 4)56,643.41 5)537.32 6)2,123,342.87**
- What would you need to add to the following numbers to equal **23,683.17?**  
**1)6,372 2)200.12 3)5.17 4)0.05 5) 21,003 6)5,023.02**
- Maths Sumdog week competition – 1000 questions to answer starting 25<sup>th</sup> September to 1<sup>st</sup> October
- Maths week is the week beginning 28<sup>th</sup> September. We'd like the children to enter a national competition. *Maths inside* is a photo competition open to everyone living in Scotland. Three themes to choose from **in the home & oot an' aboot** and **complete the pattern**  
Details of this can be found at <https://mathsinside.com/>
- Create a poster which shows the properties of the **4 different Triangles** that we have learned in class
- Complete the following task on the **Radius & Diameter of Circles** (can either be printed at home or simply copy answers into jotter or paper) <https://bit.ly/3bZdcQi>

## Literacy and English tasks

**Please read daily for a minimum of 30 minutes a day at home**

**Spelling words to practise**

**Week beginning 21<sup>st</sup> Sept**

**Week beginning 28<sup>th</sup> September**

**Week beginning 5<sup>th</sup> Oct**

morning/mourning muscle/mussel faint/faint air/heir to/too/two	careful, helpful, beautiful, fearful useful, handful until, lentil, distil	descend, deflate, encode, embrace forewarn, forecast, forename nonverbal, nonfiction, non-profit
--	---	---

- Write definitions for each your spelling words this week. Then use 4 in sentences of your own.
- The following tasks have been set up in Education City – **See Homework Section on Ed City**
- Watch an episode of Newsround and bullet point the main points. Write a summary using your notes.
- Write a short recount of an important event that happened in your personal novel.
- Use your spelling words in a short paragraph that could be used for Dictation on a Friday.
- Revise the rules of Direct Speech. <https://bbc.in/33uU499> Create a poster/bookmark etc. to help you remember the rules.

**Online log ins**

Please check that your child can log into the following online platforms which will be used in school and at home throughout the coming session.

**Sumdog** is paid for by North Lanarkshire Council to support all schools with Maths and Spelling and can be accessed online or via the app – [https://www.sumdog.com/user/sign\\_in](https://www.sumdog.com/user/sign_in) . Spelling will not be active until the contract is renewed by NLC in October.

**Glow** is an online Scottish schools intranet which is used to share learning with pupils. This is also used in the event of a lockdown and pupils if required to access learning and teaching at home-  
<https://sts.platform.rmunify.com/account/signin/glow>

**Education City** is an online website, our school pays for, to support learning across all curricular areas.  
<https://www.educationcity.com/>

Children will be issued with their own log ins and they will come home in their bag.
