

# Chryston Primary

Work Hard  
Be Kind  
Show Respect

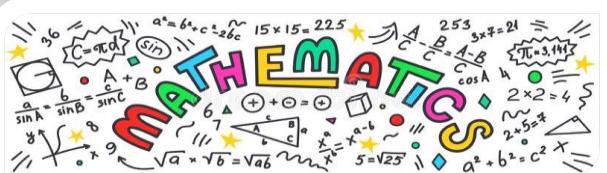

Weeks beginning 21<sup>st</sup> and 28<sup>th</sup> September and 5<sup>th</sup> October 2020

## Primary 1 with Mrs Campbell, Mrs Ross and Miss McLure

[gw18campbelljasmine2@glow.sch.uk](mailto:gw18campbelljasmine2@glow.sch.uk) [gw15rosserin2@glow.sch.uk](mailto:gw15rosserin2@glow.sch.uk) and [gw19mclurekatieann@glow.sch.uk](mailto:gw19mclurekatieann@glow.sch.uk)

Welcome to our first '*learning from home*' newsletter of the session. After the October week, we hope to move our home learning onto the Glow platform and into Glow teams. It is vital that you check the Glow log in works for your child. Once in Glow, please click the house at the side and then you should see a **Microsoft team** tile. Click on this to see if your child is a member of 2 Glow teams – their stage team NLC Chryston P1 and their class team NLC Chryston Mrs Ross or Mrs Campbell. These two teams should appear. You are not required to do anything except check your child sees these teams and can open them. Your child's teacher's email is there for your child to email the home learning they complete from this newsletter - they can do this via their Glow Outlook. Please email [gw09mcintyrelinda4@glow.sch.uk](mailto:gw09mcintyrelinda4@glow.sch.uk) [gw09flecklorraine@glow.sch.uk](mailto:gw09flecklorraine@glow.sch.uk) if they are unable to log onto Glow.

At this point we are only giving out Literacy and English and Numeracy and Mathematics tasks. These are suggested tasks. It is up to you as a parent how many tasks you wish your child do.

Remember that children should only use the staff emails to share their homework with their teacher or ask for clarification of a task.

## Numeracy and Mathematics tasks

We continue to keep all classes covering same concepts within each CfE level to support the teaching and learning if we end up learning from home. All Early Level p1 pupils are working on **Number formation, recognition and counting** until October week.

Here is a list of suggested tasks to do at home to complement the learning in class –

- Practise forming numbers **0 – 10** (writing using pencil, crayons, chalk or making with Playdoh, blocks or any other household items you can think of – be as creative as you like!)
- Practise counting groups of objects up to 10. You can go higher if you want a challenge.
- Maths Sumdog week competition – 1000 questions to answer starting 25<sup>th</sup> September to 1<sup>st</sup> October
- Maths week is the week beginning 28<sup>th</sup> September. We'd like the children to enter a national competition. *Maths inside* is a photo competition open to everyone living in Scotland. Three themes to choose from ***in the home & oot an' aboot*** and ***complete the pattern***  
Details of this can be found at <https://mathsinside.com/>
- Practise counting to 10 **forwards and backwards**. Can you count to 20 and back as well?  
<https://www.youtube.com/watch?v= MVzXKfr6e8>   [https://www.youtube.com/watch?v=srPktd4k\\_O8](https://www.youtube.com/watch?v=srPktd4k_O8)
- Play some Topmarks games to help practise your counting skills  
<https://www.topmarks.co.uk/Search.aspx?q=counting+to+10>

## Literacy and English tasks

Please read daily for a minimum of 10 minutes a day at home

### Common words to practise

Week beginning 21<sup>st</sup> Sept

Week beginning 28<sup>th</sup> September

Week beginning 5<sup>th</sup> Oct

a at the

I in it

an is and

- Practise reading your Common Words. Can you rainbow write them too?
- Practise your letter formation for the sounds **s a t p i** and **n** using Doorway Online to help <https://www.doorwayonline.org.uk/literacy/letterformation/>
- Practise writing your name. If you are confident with your first name why not try your surname?
- Can you play a game of 'I Spy' with a family member using one of your initial sounds? **s a t p i n** (use the sound – not the letter name!)
- Finger Fitness is important to help us with our writing. Practise a Finger Fitness or Playdoh Disco on YouTube. Here are some example videos we have used in class:  
<https://www.youtube.com/watch?v=BOLR3pQt8zg>  
<https://www.youtube.com/watch?v=3VpARNgb8c>
- The following tasks have been set up in Education City – 'Cosy Cat' 'I Rode My Bike' 'Going Spare'

## Online log ins

Please check that your child can log into the following online platforms which will be used in school and at home throughout the coming session.

**Sumdog** is paid for by North Lanarkshire Council to support all schools with Maths and Spelling and can be accessed online or via the app – [https://www.sumdog.com/user/sign\\_in](https://www.sumdog.com/user/sign_in) . Spelling will not be active until the contract is renewed by NLC in October.

**Glow** is an online Scottish schools intranet which is used to share learning with pupils. This is also used in the event of a lockdown and pupils if required to access learning and teaching at home-  
<https://sts.platform.rmunify.com/account/signin/glow>

**Education City** is an online website, our school pays for, to support learning across all curricular areas.  
<https://www.educationcity.com/>

Children will be issued with their own log ins and they will come home in their bag.
