STAFFING CHANGES

As you are aware, Mrs Burke retired on 5th January. After the initial recruitment process, no one was appointed. Therefore, in the interim basis the management structure is – Mr Jonny Mitchell at Chryston High School is the interim strategic lead headteacher, Linda McIntyre is acting deputy head and Lee Martin from Glenmanor is also joining us as a deputy head on an interim basis. Lorraine Fleck continues as principal teacher.

Class teachers have also changed their role during the lockdown, with one teacher working with a stage online whilst another teacher works with the class in school. The breakdown of this is shown on our website.

First point of contact regarding your child's learning is your child's teacher. However the management team have stage responsibilities –

P1 Mrs Fleck
P2-4 Mrs Martin
P5-7 Mrs McIntyre

COMMUNICATION

PARENTS AND CARERS

Please keep us up to date with your contact details. Contact school office if you need to change this information. If you wish to communicate with the class teacher or member of the management team, please do not do this from your child's Glow account.

Look out for a questionnaire coming into your inbox at the end of the second week of lockdown learning – we are looking to gather opinions.

Look on our website to access Glow support or report technical issues - [January 2021 online learning area](#)

CHILDREN

During lockdown, each morning your child's teacher will be contacting them on their Glow Outlook email address and we also hope children will share their learning with us using the same account. Children will also receive information relating to their Teams meetings which will always take place within the given window. It may be that the teacher will split this into two sessions. It is important to read the daily emails as this is where the information is shared with them regarding content and times.

THANK YOU

RETIREMENT

Mrs Burke would like us to pass on her thanks for her retirement gift from the children. Each class all performed for Mrs Burke, conforming to social distance protocols. There were dances, signed performances to songs and some poetry. Thanks to Mrs Whyte, our P6 teacher who edited together a video of each of our classes dancing to one of Mrs Burke's favourite songs.

THANKS FOR SUPPORTING STAFF AND PUPILS

Finally we would like to thank you all for being so supportive of your children during these strange times. We realise that families are all facing challenges that are unique to themselves. Therefore our approach will always take this into consideration. We have also taken on board feedback from the last school closure. Please do not feel pressure from us to complete all of the tasks all of the time. We know that some days will be easier than others. We have had some fabulous feedback via emails from some of our parents already regarding the online layout and structure of the learning this time, but we want to hear from more of you. Remember to keep an eye on your email inbox for a survey coming your way.
