

We recently received the fantastic news that after all the very hard work of staff, pupils and the Parent Council to improve the fabric of the building and the facilities in school for pupils. It was recently announced that North Lanarkshire Council will invest over £2 million in upgrading the school.

We are delighted to inform you that the work to the upgrade will be commencing soon beginning with a new sports multipurpose (all weather facility) a full refurbishment of the Art and Design Department, and the installation of a dance studio and fitness suite. In addition, the school building will undergo a full electrical rewire

We would especially like to express our thanks and appreciation of the support we have received from North Lanarkshire Council with regards to this upgrade.
