Monday 24<sup>th</sup> October 2022

Dear Parent / Carer,

### **Science Centre trip**

We are delighted to announce that the Science department has organised a trip to the Glasgow Science Centre for all S1 pupils on Wednesday 2<sup>nd</sup> November (for classes 1A1, 1A2 & 1L1) and Thursday 3<sup>rd</sup> November (for classes 1L2, 1S1 & 1S2).

The day will consist of a film in the iMax theatre and time exploring experiments and displays over three floors in the science mall.

The coaches will leave the school at 9.10 am and return at approximately 2.50 pm.

The cost for each child is £5, which includes transport and entry to the Science Centre. This has been subsidised by the school and the Scottish Government. If you have any difficulty in paying this, please contact Mr Miller (Principal Teacher of Science) or your child's Pupil Support teacher in confidence.

If you wish your child to go on this outing, please return the consent form and £5 (cash or cheque to Coltness High School) to your child's science teacher **by Friday 28<sup>th</sup> October**.

On the day, pupils should wear full school uniform and should not bring any valuables. Pupils will not be allowed to take bags into the centre – they will be left in a cloakroom. Neither the Glasgow Science Centre nor Coltness High School can be held responsible for any loss or damage to your child's property.

Please ensure your child brings a packed lunch as the facilities can get very busy. It is very important that your child behaves well and follows the instructions of their teachers and helpers on the day.

Yours sincerely,

Miss J. St. John (Biology/Science Teacher)  
Mr D. Miller (Principal Teacher of Science)
