GOOD LUCK !!

Since 1980 BBC Children in Need
has raised over £1 billion to help
make a difference to the lives of
children and young people in the
UK.

Last year Children in Need helped
nearly 460,000 children and young
people to overcome their challenges.
Children helped included children in
poverty and helping children to feel
safe again. 32,000 children were
helped to feel safer last year.

I wonder how much they will
raise this year?
