

Corpus Christi Primary School and Nursery Improvement Priorities 2020-2021

Priority 1: Further improve and support the mental, social and emotional wellbeing of all children, ensuring equity for all.

- ✦ We are a nurturing school.
- ✦ We focus on Getting It Right For Every Child (GIRFEC).
- ✦ We have a quality Health and Wellbeing curriculum for all.

Priority 2: Further develop approaches to quality learning and teaching in Literacy and Numeracy to raise attainment.

- ✦ Children know where they are in their Literacy and Numeracy learning.
- ✦ All children feel supported to achieve their best.
- ✦ We plan quality learning experiences in Literacy and Numeracy for all.

Priority 3: Establish a digital pedagogy, which engages learners and families, and delivers a high quality learning experience for all.

- ✦ All children have access to a device which enables them to engage with digital learning at school and at home.
- ✦ Children have ease of access to digital learning platforms, including Glow, which develops their learning needs and can be shared at home and in class.
- ✦ There is evidence of all children engaging in digital learning.
- ✦ Staff continue to develop their digital skills.

Nursery: Developing a quality setting and quality early years' experience.

- ✦ Our new staff team get to know one another well so they can be a great team.
- ✦ We create a quality indoor and outdoor environment with more opportunities for loose parts play.
- ✦ All children enjoy creative outdoor learning experiences which are part of the HWB curriculum.
- ✦ Staff plan learning that is child led.
