

Chryston Primary 1 Homework Grids

Try to improve your cutting and colouring skills.	Ask an adult to teach you how to make your bed.	Practise your common words using an Active Spelling Strategy.	Make your 'Learn Its' using things you find in the garden e.g. stick/stones.	Parent's Choice Task
Visit the library to find an interesting book about your new topic.	Can you spot your phoneme in a book of your choice?	Learn to tie your shoe laces.	Write a piece of exciting news from your weekend.	Ask an adult to give you some addition or subtraction sums. They don't have to be written. Be Creative!
Help your parent work out what coins to use when they go shopping.	Practise your counting while being active e.g. star jumps. Try counting in 10s, 5s or 2s.	Help your family by setting the table for a meal or help with the washing up.	Play a board game or do a puzzle with your family.	Have a look at our Class Blog and write a comment.
Parent's Choice Task	Share a bed time story of your choice with your family.	Tell your adult two facts from your reading book.	Let an adult know when you spot an o'clock or half past time on a digital or analogue clock.	Play outside for 30 minutes. Try something new e.g. climb a tree or build a den.
