# Chryston Primary 5 Homework 6.5.16 - 19.5.16

# Reading preparation tasks for work being done in class

You should be finished your group reader by now but we are still working on them in class. Please take a book from the class library (or one of your own if you prefer) and read it for at least 20 minutes uninterrupted at least twice a

week. Record what you have read in your jotter

Eg, I read Diary of a Wimpy Kid, Chapters 1 and 2

(If you haven't completed your group reader then now is the time to do so!)

Common word list	
Balloon	Quite
Quiet	Believe
Belief	Coming
Interesting	Exciting
Equipment	Experiment
Environment	someone

# Literacy and English tasks

**Week beginning 9.5**.16 - Spelling - practise your common words listed opposite using a spelling game of your choice. (type them spelling, upper and lower, pyramid etc)

Week beginning 16.5.16- Spelling - Make up a wordsearch

using your spelling words. They can be forwards, backwards or diagonal. Make sure your writing is neat and you remember to put your words in the list at the bottom. Another child will complete your wordsearch in class

## Numeracy and Mathematics tasks

Week beginning 9.5.16 - Chance and Uncertainty

Complete the probability worksheet provided.

Week beginning 16.5.16 - Find at least 5 pieces of packaging in your home where you can see that the content is measured in litres or millilitres. Write them in your jotter from smallest to largest. Bring in some of the packaging if it is empty so we can use it for comparison activities.

<u>Learn its</u> - You need to know learn its off by heart.

The Six Sum Challenge

Learn these multiplication sums by heart.

6x6=36 7x7=49 9x9=81

6x7=42 6x9=54 7x9=63

#### **IDL**

Go on to Glow and comment on one of the discussions within our class topic page.

Go onto the class blog and make a reflective comment on one of our recent blog posts. Remember, a reflective comment is more than just, "I liked this task." Think about: what you learned, what skills you used and what your next steps might be.

Choice tasks – Select two tasks to complete.

## **Health and Wellbeing**

Growth and Change – Think about what you are looking forward to when you grow up. Write about two things you are looking forward t and two things you are not looking forward to.

### IDL

Make a poster to advertise solar power. Make sure you encourage people by showing the benefits of it.
