Literacy and English tasks

**Week beginning 30.10.17** – Go on a hunt through your reading book for words that have ‘r’ or ‘m’ in them. Choose a few and have a go at writing them. Remember the letter could be at the start, middle or end of the word.

**Week beginning 6.11.17** – Choose your favourite part of one of your reading books this week. Write one of the sentences from that page. How many words can you write by yourself?

Draw a picture to match. 

Numeracy and Mathematics tasks

**Week beginning 30.10.17** – Practice writing the numbers 8 and 9 in your jotter. Can you draw 8 Halloween pumpkins and 9 spooky ghosts to go with your practise?

**Week beginning 6.11.17** – Now you know all your numbers up to 10. Can you practise writing them in order. You could count up and back.

We hope you had lots of fun at Halloween this year. When people go ‘trick or treating’ they usually tell a joke or show off a talent. Can you write a joke or write about what you did or would do as your talent. If we have time we might share our jokes and talents with the rest of the class at the end of the day.

**Choice tasks –**

**Select two tasks to complete.**

We have started to learn about more shapes in class. Have a look at home or outside to see if you can spot any of the shapes from class.

As part of our weather topic we will be learning all about clouds. Can you go outside and spot a Cirrus, Cumulus or Stratus? Now can you draw or make a picture to show what they look like? Which is your favourite?

Scotland has lots of different types of weather each day. Can you keep a weather diary for 4 days? Try to remember all the different types of weather that happened during the whole day, you can draw pictures and or write weather words.
