

Early years

Help your child to become aware of time passing, by encouraging your child to notice seasonal changes all around

Allow your child to be in charge of setting the timer while you cook together, this will develop skills in estimating time and provide opportunities for calculating time durations

Primary - First/Second level

Point out the time on the clock, particularly at breakfast, dinner or bedtime

Early years

Read and use a bus or train timetable to find out what time you leave/arrive

Primary - First/Second level

Work out how much fuel will be used on a journey, working out average speed for a journey

Secondary - Third/Fourth level

Discuss time differences when travelling abroad, calculate flight times taking these into account

Secondary - Third/Fourth level
