jump

ask

Practise reading and spelling your common words every night.

Draw an 'ew' phoneme web with lots of ew words.

Pick a way to practise your common words from your activity booklet.

Maths

Complete your work set for you on Sumdog.

BIG TALK

Now that it is March, we are heading into a new season. Talk to an adult about what you notice about the weather. How can you tell the season is changing? What do you notice about the mornings? What is different in the evening? Do you notice any changes in the plants or trees?

Please remember the emphasis of this task about talking in sentences and having valuable conversations. It does not need to be written in your jotter 😊
