

This term we will be working on:

Literacy

- Reading and spelling our phonemes.
- Quick recognition of our common words stage 1 and stage 2.
- Writing in sentences, using appropriate punctuation.
- Correct formation of letters.
- Using connectives and wow words.
- Answering comprehension questions on what we have read – 'Find It and Prove It,' Strategy.

Numeracy

- Subtraction with 20/50.
- Counting in 2s 5s 10s
- Multiplication of 2 5 10 (equal groups)
- Division (Sharing).
- Measure (standard and non standard)
 - Length, height, capacity.

Health and wellbeing

- Exploring where food comes from.
- Exploring how adverts might affect what we choose to buy or eat.
- What is perseverance and why is it important.
- Collaborative working and why every role is important.
- Improving our fitness through athletics and team games.

IDL

• Dinosaurs

- ✓ When did the dinosaurs live?
- ✓ What happened to the dinosaurs?
- ✓ What types of dinosaurs are there?
- ✓ What is a palaeontologist?
 - ✚ Dinosaur crafts
 - ✚ Dinosaur writing activities.
 - ✚ Dinosaur small world play.

Parents can help us by:

- Practising maths concepts regularly with your child
- Use Sumdog to complete homework.
- Sharing stories and discussing main events and characters.
- Practising spelling words each night – be creative and make this fun.
- Practise weekly phonemes – read and make words.
- Making sure we have our gym kits with us on gym days (indoor gym – Tuesday & Thursday, outdoor gym – flexible)
- Making sure we bring our reading books with us to school every day.

Thank you for your continued support.
