### Maths

### BIG TALK

Have a talk with an adult about heading into P3. What do you think it will be like? What are you looking forward to the most? Are you worried about anything? Think of one or two goals to set for yourself between now and P3.

For example: Count to 200 by 1s, learn to tie my shoelaces, read a chapter book with mum/dad or own on your own.

N.B – This is not a written task, the focus is on meaningful conversations encouraging the children to speak in full sentences and think about what they are saying.
