

9th September 2019

Dear Parent/Carer

Tempest Photographers will visit the school on **TUESDAY 17th SEPTEMBER** to photograph all pupils. Parents who wish to choose a **family group also** with pupils currently in Cumbernauld Primary School should complete the attached form **and return to school by FRIDAY 13th SEPTEMBER at the latest**. Please give the name of the oldest child in the group first and the younger child or children who should be included underneath. **Complete only one form per family - not one for each child**. This will make it easy to identify your family group on the day.

If you **do not wish a family group photograph** then you do not need to return the form as an individual photograph will be taken automatically - **you do not need to notify us**.

We are unable to include any children who are not presently in Cumbernauld Primary School. We do not have any timetable for your child's photograph being taken.
