Dear Parent/Guardian,

CORONAVIRUS UPDATE

Understandably, we know that parents, carers and pupils have a lot of questions around coronavirus and how we are managing this within schools.

It is important that we follow advice from the government and NHS and only make decisions that are guided by experts.

The advice is clear: anyone displaying the symptoms of the coronavirus should self-isolate at home for 14 days if living with people in a household. Symptoms include a new persistent cough or high temperature. More information on self-isolation and symptoms is available at www.nhs.inform.scot/coronavirus

This advice applies to everyone, including school pupils who display these symptoms.

In line with national health advice, we are not closing schools where there are reports of pupils with these symptoms. All schools are being cleaned on a daily basis with a particular focus on cleaning surface areas.

These are very challenging times and we thank you for your support and co-operation.

For the latest information and advice, go to <https://www.nhsinform.scot/coronavirus>

You can also follow @NHS24 on Twitter and Facebook.

Yours sincerely

E CLINTON
