08/06/20	ee (as in ee)	see play
15/06/20	oo (as in oo k)	look first one

Blue words have been covered in class, black words are yet to be covered.

Once completed a revision block of all the sounds and common words covered in P1 would begin ensuring children can quickly identify and read the sounds and words. Children should also be able to form all their letters and write their common word independently.

The following link is the songs we use in class to reinforce the single sounds

<https://www.youtube.com/watch?v=1Qpn2839Kro> or you can search for it under 'jolly phonics phase 2' on Youtube

The children also enjoy 'Gerladine the Giraffe' on Youtube who has a different video for each sound & 'Jack Hartmann' who also has a video for each sound including the joined phonemes (sh ch ee oo th).
