

Primary 6 Tasks for Week Beginning 8th June

Term 3 spelling lists for each group are in the Spelling folder in the Team 'files' section. Try to spend some time learning your words each day. There is a Spelling Strategies PowerPoint in the folder to remind you and a list of spelling activities you can do.

Continue to work on the Sumdog challenges that have been set. These focus on both developing multiplication tables and reinforcing our recent work.

Reading: Oxford Owl

For the next 2 weeks, you will be reading another book from the Oxford Owl Website: <https://www.oxfordowl.co.uk>

Go to the Oxford Owl website and **log in to our class account**. Again, you will find the **login details** and the **name of the book** you will be reading on the '**Oxford Owl Instructions**' sheet which you will find in **Files** in our **Microsoft Team**.

In **Files**, you will also find the **reading tasks** for your book. Remember, your book and tasks should be worked through over **2 weeks**.

Writing

This week, we are going to work on the **narrative** genre. Click on the link below and work your way through the activities.

Alternatively, you can find the task as a pdf in 'files'.

Before you begin, have a look at the **Narrative Prompts** to help you structure your writing.

Once you have finished, **proof read** your work and check your spelling and punctuation. Use the **Narrative targets** to **self-assess** your work. Remember; **Green for Great** and **Pink for Think!**

The links below will take you to short tutorial videos and a set of follow up questions. Do as many of the questions as you can.

IDL

[The National Health Service](https://www.nhs.uk)

Over the next 2 weeks we are going to be finding out more about the **NHS**. Now, more than ever, we know just how important the NHS is! In **Files** on our **Microsoft Team**, you will find a PDF full of information and activities for you to work through.

This week focus on:

- The History of the NHS
- Medicine Then Vs Medicine Now
- Today's NHS
