

Primary 3 - Monday 8th June

N U M E R A C Y	<p><u>Magical Multiplication</u></p> <p>Use the sheets Mrs Simmonette and Mrs Allison have provided and your multiplication strategies. Find the answers to the times tables sums to complete the targets or circles. There's lots for you to choose from or you can even draw your own.</p> 	<p><u>Addition and Subtraction</u></p> <p>Cut some paper and write numbers from 5-100 on them. Put them face down. Pick two pieces of paper and add them together. You can also try subtracting the smallest number from the largest number or giving yourself an extra challenge by adding 3 numbers together. Record your answers horizontally or as a chimney sum.</p> 	<p><u>Super Sumdog</u></p> <p>Log on to Sumdog. Can you complete the weekly challenges set by Mrs Allison and Mrs Simmonette?</p> 	<p><u>Super Symmetry</u></p> <p>Draw some 2D shapes (remember to use a ruler) Find the line of symmetry in each shape. Can you see any symmetrical designs around your home or local area? Make a list. Use straight lines and colour to create your own symmetrical designs.</p> 
L I T E R A C Y	<p><u>Alphabetical Order</u></p> <p>Write your spelling and phonics words in alphabetical order - and remember that if two words start with the same letter you look to the second letter to decide which one to write first e.g. ant, bear, apple, ball would become...</p> <p style="text-align: center;"> ant apple ball bear </p>	<p><u>Find It, Check It!</u></p> <p>Look in your reading book or another book you are enjoying at home. Try to find an unfamiliar, tricky or 'wow' word. Write down what you think the word means. Check it in a dictionary (these can be found online with help from your adult if you don't have one at home). Were you correct? How close did you get to the meaning?</p> 	<p><u>Comic Book Caper!</u></p> <p>Create your own comic strip/book for a character of your choice. It could be a character you create yourself or one you already know of. Create a funny adventure for them to go on. Remember to give your story a beginning, middle and end. Who is in it? Where are they? What happens? Why?</p> 	<p><u>Book Review</u></p> <p>Using either your Oxford Owl text for this week, or a favourite book of your own, create an interesting review of what you most liked about the book. Summarise main events, describe characters/settings. What did you like most about it and why?</p> 
G E N E R A L	<p><u>Delightful Diary</u></p> <p>Create your own picture diary with illustrations or photos of you being helpful around your home or garden. Remember to include a description of what helpful tasks you have been completing.</p> 	<p><u>Amazing Acrostic</u></p> <p>Using your own name, create an acrostic poem. Describe yourself using each letter. You can use single adjectives or short sentences if that's more helpful. Try to give people as much information about you as possible.</p> <p style="text-align: center;"> I AM  AWESOME </p>	<p><u>Brilliant Ball-Games</u></p> <p>Think of the ball-skills we practised during our PE sessions. Take some time to work on these at home. You could try using a target/aim to throw the ball, setting out some skittles/old socks/tins to dribble the ball or working with a partner to throw and catch accurately. Remember to work with an adult to come up with your ball-skill ideas.</p> 	<p><u>I am MAGNIFICENT! I am ME!</u></p> <p>Choose 5 fantastic things that make you magnificent. Create a self-celebration poster. You can also choose to create an additional poster to celebrate someone else if you choose.</p> <p style="text-align: center;"> I am me, I am unique, I am magnificent. </p>
