

Primary 6 Tasks for Week Beginning 15th June

Term 3 spelling lists for each group are in the Spelling folder in the Team 'files' section. Try to spend some time learning your words each day. There is a Spelling Strategies PowerPoint in the folder to remind you and a list of spelling activities you can do.

Continue to work on the Sumdog challenges that have been set. These focus on both developing multiplication tables and reinforcing our recent work.

Reading: Oxford Owl

Continue to read the reading book you were working on last week from the Oxford Owl Website: <https://www.oxfordowl.co.uk>

Go to the Oxford Owl website and **log in to our class account**. Again, you will find the **login details** and the **name of your reading book** on the '**Oxford Owl Instructions**' sheet which you will find in **Files** in our **Microsoft Team**.

Continue to work through the **reading tasks** for your book. Choose another book to read for pleasure.

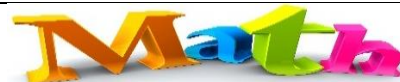

Writing:

Task 1: We are going to learn about short **poems** that rhyme! Follow the BBC Bitesize link to find out about **limericks** and **clerihews**: <https://www.bbc.co.uk/bitesize/articles/zpb3trd>

Once you have watched the **2 video clips** and read about the **features** of each type of poem, work through activities 1 and 2. For activity 1, click on the '**tes**' worksheet link. Remember to upload your poem! Can you write one of each?

Task 2: Use the **Instructional writing guide** in Files in our Microsoft team to write a set of instructions explaining how to **do something, make something or play something**. Good luck!

The links below will take you to short tutorial videos and a set of follow up questions. Do as many of the questions as you can.
