

Primary 7 Home Learning Tasks Week beginning 15th June 2020

Literacy

If you haven't already done so, please email your completed Primary School memories to Mrs Ogilvie at AQgilvie@cumbernauld-pri.n-lanark.sch.uk Please send these by Wednesday 17th at the very latest.

I have also attached a grid with a variety of High School related Transition tasks if you wish to give them a go.

Maths

No specific maths tasks this week – you can go on to Sumdog if you wish.

Art/ Design - Some artists are heavily influenced by sounds in their work. Have a look at the following link and read the information and try and produce your own art work influenced by sound. This website has loads of great activities and quizzes on all things art so feel free to have a look around it. Remember and show your wonderful creations on teams!

<https://www.tate.org.uk/kids/make/art-technology/draw-sound-creature>

Health and Wellbeing - Click on the following link and watch the short clips on Growth Mindset

<https://www.bbc.co.uk/teach/class-clips-video/pshe-ks2-growth-mindset/zkph92p>

Think of a time where you displayed a Growth Mindset and write a short account of what happened and how you dealt with it.

Now think of a time where you did not display a Growth Mindset. What could you have done differently? What do you think stopped you displaying this? Write a short account of this situation.

High School Transition - You may have tasks allocated from High School, these should be worked through and submitted as a priority. Don't stress yourself trying to do all the work - do what you can. As always Miss White and Mrs Ogilvie will be available on Teams should you have any questions. Have a great week!
