

P2b Weekly Home Activities for the week beginning Mon 15th June

Let's try something different this last **FULL** week of socially distanced school ... let's design a theme park!

What kind of park would you like?

There are theme parks all over the world. Some of you may have been to one. Think about YOUR interests and decide on the kind of park you would like best.

A water theme park, thrill rides, dinosaur themed, football themed, unicorn themed, Scottish themed

Name Your Park

You want to have a catchy name for your park. Sometimes they have rhyming names (Shark Park or Ton of Fun) sometimes they get your mind thinking about how much you will enjoy it (Wonderland, Adventure Island). Your park's name SHOULD be related to your theme just the way the title of a book is (usually) related to what it is about.

Design a sign for the entrance of your park using the name you picked.

Rides, Rides, Rides!

People will come to your park for the rides. Design at least one ride for your park. This can be a drawing or by using things you have around your house. Give it a cool name!

Admission

Think about how much you would charge to come to your park. How much would you charge an adult? a child? Disney has MagicBands that you wear like a watch and you can use to get into the park, buy items...even open your hotel room door! Design a band for your park.

Dance it!

Remember this?

https://voutu.be/OfWdOUo61c8

Google 'GoNoodle Move Groove Wonder Park' if you can't use the link. The 'Gus' move will be easier now than it was in our classroom!

Draw it!

Follow the steps on the video to draw a rollercoaster.

https://youtu.be/VkDqpZ5\$-sY

If you can't get the link, Google the kev words 'Artimee Draw Rollercoaster'

Characters

Can you createf a character for your park? What is their name? What do they look like?

Rollercoasters

Do you like rollercoasters?

Take a survey of people in your family to see if they like them or not.

Watch these 2 video clips of rollercoasters at Canada's Wonderland. After watching them, write 3 words to describe them.
