<h3>My School Year Memory Page</h3>	<h3>Design Your Ideal Playground Equipment</h3> <p>Imagine you have an unlimited budget to have any piece of equipment you want in your school playground. Draw a design of what you would choose. Include labels. You need to think about making it suitable for different age groups, having enough space for lots of children to use it, safety (what would be underneath the equipment for example) and where it would go in your playground.</p>	<h3>Summer Art</h3> <p>Summer has inspired many artists. Use the Internet to research pieces of art based on summer. Draw or paint a summer picture either based on your research or on these summer photos.</p>																
<h3>Create a Summer App</h3> <p>An app (short for application) is something you can use on your phone or tablet to do different tasks. Create an app that people could use to help them have a good summer. It could be something that lets people know what is happening in the area, one that lets people know about money off deals for certain things or an app that helps people find interesting walks to go on.</p> <p>Think about who will use the app and if it will cost money. You also need to design a logo that people will see on their phones or tablets. Write an explanation about what your app does and who would use it.</p> <p>Logo:</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>	<h3>Summer Languages</h3> <p>Choose a language. It could be one you are learning at school, one that is spoken at home or one you would like to learn.</p> <p>My chosen language is _____</p> <p>Use the Internet or a language dictionary and find out what the following words are in your chosen language.</p> <p>summer _____</p> <p>sun _____</p> <p>holiday _____</p> <p>beach _____</p> <p>hat _____</p> <p>sand _____</p> <p>tent _____</p> <p>flowers _____</p> <p>sandcastle _____</p> <p>June _____</p> <p>July _____</p> <p>August _____</p> <p>garden _____</p> <p>camping _____</p> <p>sun cream _____</p> <p>swimming pool _____</p> <p>sunglasses _____</p> <p>Challenge!
