

Primary 7 Home Learning Tasks Week beginning 22nd June 2020

Literacy

If you haven't completed the High School related Transition tasks that were posted in last week's grid you could continue with these.

Test your teacher and classmates - think of a famous person and research them. Post 5 clues on Teams and see if everyone can guess who the person is.

Write an acrostic poem using the word PRIMARY for the letters down the side. Try and write full sentences for each letter. Remember it has to be related to the theme of the word of Primary e.g. Pupils standing at the gates.

Maths

No specific maths tasks this week – you can go on to Sumdog if you wish or play Countdown on Topmarks.

Art/ Design - Draw a picture of Cumbernauld Primary School, around your picture you can include words that you associate with CPS - special, friendly, try hard. Be sure to post your finished work on Teams for everyone to admire.

Health and Wellbeing - It is North Lanarkshire's Virtual Sports Day on Monday. There is a selection of activities for you to take part in. You will find more information on Teams about this. Enjoy and be sure to

keep us updated on how you get on!

High School Transition - Continue with any tasks your High School has set for you.
