

End of Term

Boys and Girls,

I can't believe this is our last Monday as Primary 3a. The year has gone by so quickly and although, it certainly isn't the end of term we all hoped and planned for, or usually experience, this is certainly a year that we will all remember.

I am going to miss you all so much. Please come back to say hello!

I remember last year on the 14th of August, you guys all arriving in the classroom for your first day as Primary 3a. We have had so many lovely experiences and memories together. I particularly enjoyed our Nativity and Christmas Party and also the way you always had something to say or do to make me laugh or smile! I know you will all have made many new memories at home with your families at this very unique time.

I know I am very lucky to have been your teacher this year. I am grateful every day. I also know how much you are going to impress as you progress through the school. Never forget your qualities; your kindness and helpfulness, your ability to be so positive and enthusiastic, your hard-working attitude. These traits have not been lost on me and I am so proud of each and every one of you! You should be very proud of yourselves too!

I am a little sad as I write this, but then I think of the brilliant times and they make me smile.

I hope you all have a lovely and relaxing summer break! Again, this one is sure to be a little different but memorable.

Continue to stay safe! Continue to amaze! Continue to WOW!

Mrs Simmonette x

Create a poster with a message to your class.

Choose somewhere you would love to visit. Do some research on this place. You could create a poster or PowerPoint about it. Remember to include the reasons why you would like to go.

Write/draw what you are looking forward to in August.

Draw and write about your favourite part of your school year.

Make a friendship flower. Draw a big flower and write your name/draw yourself in the middle. Write/draw your friends in the petals. You can include qualities you look for in a friend and you can download the flower picture if you prefer.

Write a letter to your class/teacher to say goodbye/see you soon.
