

Cumbernauld Primary School

Nursery to Primary 1 Transition 2021-2022

Welcome!

Mr Clinton

Mrs Hart

Dear Parents and Carers of our New Primary 1 Pupils,

We would like to extend a very warm welcome to you from all the staff and pupils at Cumbernauld Primary School. We are excited to get to know our new parents and pupils better over the coming months and welcome you to our school community - our 'Cumbernauld Primary School Family'.

We know that this will be an anxious and worrying time for you as parents, particularly because of the current restrictions. We want to reassure you that our staff will work very hard to provide a fun and exciting transition programme with lots of activities for the children and information for our parents. Our aim is to provide safe opportunities to interact with staff and to learn more about our wonderful school and ethos. A school that supports pupils to be the best they can be and that prides itself on working closely with parents and partner nurseries.

So what will our transition programme look like in the current climate?

- ✓ We will be in regular contact with you to provide information and video clips via your email address. We will also create a **Transition Area** on our school website to keep you informed.

This can be accessed on <https://blogs.glowscotland.org.uk/nl/cumbernauldprimary>

- ✓ School staff and pupils are currently planning a **video** that will give you a real sense of our school. The video will include information on school lunches, school transport, gym, our House System, RESPECT programme and lots more. We love to get our pupils involved as they are the experts and the best ambassadors for Cumbernauld Primary.
