

- ✓ A **FAQs Sheet** will be sent to all parents giving the most up to date information and will hopefully answer any queries you may have.
- ✓ We will **liaise with our partner nurseries and parents** in order to get a really good picture of our new pupils, their strengths, likes and interest, talents and areas for support.
- ✓ Our staff will create a **variety of videos** to send home. A brilliant way for the children to get to know our amazing teachers whilst they listen to a story or join in a craft or baking activity. Lots of fun to be had!
- ✓ We have created a **Tour of the School PowerPoint**. This is 'jam-packed' with lovely photographs of the school and will let your child see what the school looks like on the inside.

Guidance is constantly changing and we always adhere to all safety procedures. We would hope to arrange a visit to the school for your child if government and authority guidelines allow. We will keep you informed of dates for this event.

Please know that we genuinely care about your child's transition to Cumbernauld Primary School and we will work to make it as smooth as possible at these trying times. We are here to support our new families and pupils so don't hesitate to contact us if you have any queries or concerns on enquiries@cumbernauld-pri.n-lanark.sch.uk.

We look forward to getting to know you over the coming months.

Yours faithfully
