Dear Parents/Carers,

Placing Requests for August 2021

Following a review of the Placing Request Regulations, there is a change to the deadline for advising parents/carers on the decision of their placing request. The deadline for advising parents/carers for those placing requests received by 15 March 2021, has been extended from 30 April 2021 to 15 May 2021. For placing requests received after that date, parents/carers will be advised within two months.

Further details are available on the Council website and can be viewed by using the link below.
