

SPEAKEASY

The how, why, what, where and when of growing up, feelings, puberty, sexual health and relationships.

You know I want you,
you know that I need you
I want it bad,
bad romance

Speakeasy is a fun, free course designed to help you advise and safely guide your children through the trials and tribulations of growing up.

'Where do babies come from?'

'What's the difference between boys and girls?'

'What does this song mean?'

'I saw this thing on the internet....'

Speakeasy can help arm you with the information, knowledge and skills to answer your child's questions, feelings or fears, at any age, any stage and in any circumstance.

"This is a fine time to leave! What if the doctor delivers the baby while you're out!"

Venue: Firpark Primary School

Day: Mondays (for 8 weeks)

Starting Date: 19 February 2018

Time: 7 - 9pm
