

## Community Learning and Development Support for Firpark Primary School

Hi, new P1 families 😊

My name is Clare Burnett and I am the Community Learning and Development Worker (Schools) who supports the families of Firpark Primary School.

Due to the Covid19 restrictions, I was unable to arrange the usual pre-entry home visits, but hope that the information that I sent out to you proved useful.

My role within the Firpark family is to offer support, training/learning, and information.

I support families with parenting issues such as managing challenging behaviour, supporting routines including bedtime routine and offering courses for parent carers to learn together how to deal with the challenges of being a parent carer.

I also offer support to parents in regards to a number of issues including confidence building, developing positive mental health and coping strategies and dealing with loss, grief and bereavement.

In addition, I can help to access funding, make referrals to the Food Bank and Financial Inclusion team, and help to complete forms.

I look forward to meeting you all in person at some time but in the meantime, if you require any support, training or information, please don't hesitate to contact me on: 07812501869 or email: [burnettc@northlan.gov.uk](mailto:burnettc@northlan.gov.uk). I currently work part time but check my work mobile every morning.

Kindest Regards

*Clare*
