

CM

Communication

BGE-I can **COMMUNICATE** and share my design ideas through speaking, sketching and manufacturing products.

Senior Phase- I can **COMMUNICATE** and share, evaluate and evidence my skills that I have learned in the workshop.

Creativity

CR

BGE- I can use my **CREATIVE** skills and ideas to make innovative design projects.

Senior Phase- I can identify the **CREATIVE** skills I have learned in Technology and can apply these skills such as problem solving appropriately during work placements and other work-related learning.

Developing Scotland's Young Workforce in Technology

BGE-I recognise the skills that I have gained and have the **CONFIDENCE** to use these skills to allow me to work independently on workshop machinery and tools.

Senior Phase- • I have the **CONFIDENCE** to access and interpret the information and skills that I have learned in Technology and use these skills appropriately during work placements and other work-related learning.

BGE- I can **COLLABORATE** with others to discuss the skills that I have learned and I can use these to contribute to the team when participating in larger design projects like the Rock Challenge.

Senior Phase- I can consistently demonstrate the skills, attributes and behaviours needed to **COLLABORATE** with others and be an effective member of a Design team.
