

Meet the Principal Teacher

A little about me. My name is Shona Fisher and this is my 5th year as Principal Teacher at Gartcosh Primary. I feel very lucky to work with all of our children and staff every day and am looking forward to see what lies ahead this year.

What is important to me outside of school? Outside of school I am also a mum of 2 young boys who keep me very busy! I enjoy keeping fit and spend any spare time with our family dog, Molly or catching up with family and friends. I also like to shop when given the chance!

What's Important to me in school...

Our children are what is important to me. They are the reason that I do and love my job. Therefore it is important that I know the children and make sure that we are getting it right for all of them. I enjoy being in and out of all of the classes as well as getting to know the children during lunch times.

I want our school to be somewhere where our children can be their very best, we model high standards and set goals – working hard to achieve them.

It is also important to me that learning is interesting and fun. I want our children to be actively engaged in their learning and that they enjoy coming to school.

What my day MAY look like... The beauty of my job is that no two days are ever the same. One of my responsibilities within the school is Additional Support so there are times when I may be working directly with individual children or small groups. I liaise with outside agencies and report to parents regularly. I am the Literacy Coach within the school so I support staff with the delivery and assessment of Active Literacy. It is also my responsibility to mentor and support probationer teachers.

What I would like people to know about our school.

Our school is far more than just the building, it is a community. I feel very privileged to work with the children, staff and Parents of Gartcosh. There is a warm and welcoming positive ethos as soon as you step in the door (and we really hope to be able to welcome parents in soon!) We care about your children and their education. Our school is nurturing and we encourage all of the children to give their best. We celebrate differences and learn from each other. Our school is a happy place where we want everyone to feel safe.

If you need to get in touch with me

1. Call the school on 01236 794892
2. Email nlfishers@glow.sch.uk
