

Meet the Teacher

A little about me.

My name is Mrs Hay and I have worked in Gartcosh Primary for almost 6 years. I will be teaching in Primary 2 on a Wednesday, Thursday and Friday.

What is important to me outside of school?

Outside of school I have two primary aged children to look after. I enjoy taking them to football and spending time with them in the holidays.

What's Important to me in class...

Our classroom is a welcoming and inviting environment, where we value kindness. In our class we have been studying friendships. We know what qualities we should look for in a friend and how we can be a good friend to others.

I encourage the children to have a growth mind-set. We always adopt a 'have a go mindset' in class and the children are encouraged to stay

What our year will look like...

This year we will be reading a range of fiction and non-fiction books in class. We will be completing lots of fun literacy activities based on our books alongside our phonics and common words programme.

We will look at different areas of Numeracy this year including; addition, subtraction, number processes, time and measure.

Our first IDL topic of the year is The Owl Who Was Afraid of the Dark. The children will use this as a core text for many wonderful tasks to encourage learning.

A Glance around our classroom ...

Our class is a very bright and welcoming environment. We have a class library and a cosy corner to enjoy some time out with a book. Our walls are enriched with Literacy and Numeracy to encourage children to work independently.

How we work in class

The children have settled quickly into their new routines. They come in, pick their lunch using our interactive smartboard and then completed their morning task. This allows everyone to come in and get settled down for the learning ahead. We have group and house points and children. The children are encouraged and spoken to positively with regards to their work. Everyone is entitled to Golden Time for 30 minutes every Friday.
