

Meet the Teacher

Mrs. P Wells

A little about me

Hello! My name is Mrs Wells and I am the P3 class teacher this year. This is my first year at Gartcosh Primary but previous roles have been Teacher of Deaf and Autism Pedagogy Team Lead for East Renfrewshire. I am looking forward to getting to know the pupils in the school and the community as whole.

What is important to me outside of school?

I enjoy spending time with family and taking my dog Loki for walks. I also teach Tae Kwon Do for children and parents with additional support

What's Important to me in class...

Pupils in my class can expect to earn Bonus Balls for showcasing positive behaviour, work ethic and following school rules. Children can also earn extra special rewards for good listening, kindness, giving 100% effort and supporting each other! The winning group will then get to choose from the prize box and get to choose their class jobs first.

I have high expectations and always strive to support my learners to reach their full potential.

I also wish to instil a solid knowledge and understanding of UN Charter of Children's Rights within the Classroom!

I am committed to getting to know all my pupils individually and building a positive relationship with them.

I am passionate about inclusion within my classroom and will be learning BSL (British Sign Language) this year. We will also

What our year will look like...

Literacy: Each week we will be learning new sounds, phonemes and common words and carrying out active tasks to demonstrate our learning. We will be working on our letter formation, handwriting and presentation to ensure our work is presented beautifully!

Maths: We will be working on number and number processes, counting, adding and subtracting. We will also be learning all about different math concepts such as shape, measurement and estimation.

IDL: Our first topic is the Romans. We will be learning what life was like for them and how our own lives have been impacted by their discoveries and inventions. We will also be designing our own armour and having a special

How we work in class

P3 will take part in variety of independent, group and partner learning opportunities across the curriculum this year. We have specific job roles that the children are responsible for – this gives the children a sense of ownership over their classroom. Our jobs change 2 weeks to ensure everyone gets the chance to be involved!

We will also be using ICT to enhance all areas of the curriculum and to develop our Digital Literacy and Digital Science skills

If you need to contact me please don't hesitate to get in touch by:

- Calling the school on 01236 794892
