Dear Parent,

Our school handbook should soon be ready and will be available to you before the end of December.

We believe that parents should be fully informed about schools before they make their choice (which has to be done to meet the Education Department's deadline of 1 February 2019) and I hope that the Handbook will help you to decide that Greenfaulds High School is fully equipped to meet the needs of your child.

Another important step in your gathering of information is having the opportunity to meet staff from Greenfaulds High School. Each year I welcome the opportunity to meet you **in Greenfaulds High School** where I and Mrs Karen Adler, DHT, will give you an informal talk about the service we provide in Greenfaulds High School. We will be accompanied by some senior pupils who will be pleased to help answer some of your questions from the pupils' perspective.

The change from primary to secondary school is an important one for your child. We hope that the links which we have formed between your primary school and Greenfaulds High School will help ensure continuity of education for your child and help with a smooth transition in August.

I hope you will be able to come and I look forward to meeting you on the evening arranged.

Yours sincerely

Eileen McLoughlin  
Depute Head Teacher, S1

## Greenfaulds High School

### Open Evening

An Open Evening for pupils currently in P7 (and their families) will be held in Greenfaulds High School at 7.00pm on the evening of Tuesday 13<sup>th</sup> November 2018.

This is an informal event and there is no need to inform the school in advance that you are coming. Pupils and their parents will "follow a timetable" which will allow you to see around the school and meet teachers and pupils. You will find out about the curriculum and about the many other activities on offer to pupils.

Car parking will be available but the school is likely to be very busy on the evening so you are advised to come early.

I look forward to seeing you on the 13<sup>th</sup> November but please do not hesitate to contact me in advance if you have specific queries or requirements.

Eileen McLoughlin, DHT S1
