Dear Parent/Carer

Royal Visit

Greenfaulds High School will host a Royal Visit on Friday the 28th of June.

This is a prestigious opportunity for our young people to be part of a really exciting day alongside invited VIP guests, staff members and community representatives.

The visit will mean that arrangements on the last day of term will be different from the norm. There will be significant security at this event so it is important that all pupils of Greenfaulds are easily recognized by wearing full school uniform, and it is essential that no school bags are brought to school on that morning. Staff will be present to supervise the movement of pupils around the building as the visit takes place, and further information will be provided closer to the day.

School transport will operate as normal, with homeward buses and taxis arranged for a 12.30 pm finish. Lunch arrangements will be available to those young people who wish to have lunch before leaving school. Please note that parking in and around the school is likely to be difficult on the day. Updates of arrangements will be posted on school social media between now and Friday 28 June.

I am sure you will agree that this event is a very exciting and memorable end to term for all associated with the wider Greenfaulds community!

Yours sincerely

Linda Park
