Dear Parent/Carer

### **Greenfaulds High update**

I would like to take this opportunity to provide a further update on progress in relation to the fruit flies in the school.

The steps outlined in the previous letter had addressed the situation by the beginning of the school day on Tuesday. However as a precaution, we have continued to work with Council departments and services to monitor the situation. The improvement in the school is evident to all users. Over the weekend, a fumigation process will take place, thus ensuring that every possible step has been taken to address the problem.

Throughout the week we have continued to highlight the importance of the appropriate disposal of food waste in school and I would like to thank pupils, staff and parents for their understanding and support. Should any parent/carers have further concerns, please do not hesitate to contact your child's pupil support teacher to discuss.

Yours sincerely

*Linda Park*
