Here is the list of work available within each subject area for this week. Although there is a suggested timeframe for each of the subjects (and therefore the tasks provided) ***please note that this is a guideline only***. We fully understand that everyone's circumstances will be different and may change from day to day. Do what you can manage within your own personal circumstances. ***Please do not stress if you can't manage everything – some people will manage to whizz through all of the tasks, others may take longer and that's ok. We would recommend that in S2 you should aim to spend around 10 hours per week on school work if you can.*** Good Luck!

English PT Ms Cameron Email <a href="mailto:gcameron@greenfaulds.n-lanark.sch.uk">gcameron@greenfaulds.n-lanark.sch.uk</a>	2	Writing – Creating Texts	Produce a piece of informative writing on the Scottish writer of your choice. Develop your research and note-taking skills as you do so.	Microsoft Teams English
		Spelling – Week Seven	Add to your bank of strategies to help you spell with accuracy.	
		Reading – Number 13	A short but fairly challenging task to help you build your skills in Reading for Understanding, Analysis and Evaluation.	
		Reading – Anne Frank	Two different RUAE tasks both based upon the life of Anne Frank. Differentiated questions for Task One allow you to work at the level that is most appropriate for you. Task Two is perhaps a little more challenging.	
		Language – Make your own Shakespearean insults	Learn more about Shakespeare's use of language with this fun activity.	
		Language – 'There was' and 'There were'	An activity to help you build your grammatical accuracy.

This week the focus is on using your previously identified sources to carry out research on your chosen subject. The key skill we are using this week is note-taking.	Microsoft Teams English
		Nat 4 Talking and Listening	Same format as always – listen to the clip and answer the multiple-choice questions. This week the topic is 'Ending a pandemic'. Make sure to complete the talking element once you have answered the questions.	
		Nat 4 Writing	Another back to basics revision task. This week the focus is on punctuation and structure. Your task is to re-write the pieces of text you have been given and input all the missing punctuation and paragraph breaks to ensure the piece of writing is structured correctly. Then it's on to your diary entry for the week.	
		Nat 4 Reading	This week's focus is on understanding questions. Read the passage and answer the questions which follow to show your understanding.	

		N5 Folio: Persuasive Writing Techniques and Tasks	Looking more closely at the second folio piece, this week we will learn about persuasive techniques and put them into practice.	
		N5 Scottish Text: Originally – Getting to Know the poem	Read the poem and think about its meaning and purpose. Complete some questions on each stanza.	
		N5 Ruae: Sentence Structure advice	This week we will look more closely at structure, learning about punctuation marks and other patterns. Read through all notes and complete the two tasks at the end.

## GHS new S5/6

## Remote Learning Suggested Work for week beginning 08 June 2020

Here is the list of work available within each subject area for this week. Although there is a suggested timeframe for each of the subjects (and therefore the tasks provided) ***please note that this is a guideline only***. We fully understand that everyone's circumstances will be different and may change from day to day. Do what you can manage within your own personal circumstances. . ***Please do not stress if you can't manage everything – some people will manage to whizz through all of the tasks, others may take longer and that's ok. We would recommend that in S5/6 you should aim to spend around 12 hours per week on school work if you can.*** Good Luck!
