Dear Parent/Carer

Online Information Evening – Wednesday 21 April 2021

You will be aware from the correspondence sent to parents prior to the Spring break that gathering of assessment for SQA purposes will take place this term. An assessment calendar has been prepared and will be shared with S4-S6 pupils during year group assemblies on Tuesday 20 April.

We fully recognise the concerns of parents at this time too, and therefore we would also like to invite you to a short online Parents Information Evening at the times below. We intend to guide parents through a 'Go-to Padlet' which we have created to explain the stages and the processes in operation this year. The Padlet also includes a full Q&A document and a form to allow you to ask any more specific questions you may have in relation to this year's Certification model.

Please don't worry if you cannot manage to join the Information evening as we will also email a link which you can access at your leisure.
