S3 into S4 Options

Dear Parent/Carer

In the coming weeks we will be asking pupils to select the one subject area they will drop when moving into the Senior Phase of their education. Pupils **CANNOT** drop Maths or English and must continue the core subjects of Physical Education, RMPS and Personal & Social Development.

Important Dates

Course Option Deadline: Friday 21st February

Many of our pupils will already have made a decision on their course options but for those who are unsure they will have an opportunity to discuss this with their pupil support teacher. We also have a Skills Development Scotland career advisor, Morven Jarvis, who pupils can make an appointment with to discuss career pathways and qualification requirements.

In order to support pupils and parents/carers we have produced an electronic resource that provides a range of useful web-based links and career advice. This resource also has the contact emails for the pupil support teachers and our career advisor should you wish to contact them for advice.

Link for Career/Options Resource

[S3/4 Options: Moving into the Senior Phase \(padlet.com\)](https://www.padlet.com/)

The options form will be in a simple electronic format and can be accessed from the link below. The link will also be posted on the School Website. Before your child submits the form we would have expected them to discuss their choices with parents/carers. If there are any concerns please contact your child's Pupil Support teacher in the first instance.
