# Rugby

P7 had a great day out at Waysiders Drumpellier RFC with our cluster schools.

Coatbridge High School of Rugby organised a festival for all children transferring to secondary in August. The children enjoyed trying a new sport with one signing up to the School of Rugby next year. The children also got a chance to see the Pro 14s trophy.

# Sportshall Athletics

P2/3, P4/5 & P6/7 have all attended Sportshall Athletics events this year. All children really enjoyed the sessions, resulting in a high number of participants involved in the athletics afterschool club.

# Football

At this current time we do not have a 'football team'. We encourage all children with an interest to put themselves forward and let them attend at least one event in the year. Although the boys have not won any of the tournaments, they have won some games and have shown great sportsmanship at every event.

# Dance / Glee Competition

The dance troop 'Insanity' competed at the Coatbridge heat of the active schools dance competition and came 3<sup>rd</sup>. This qualified them to dance again at the finals at the Motherwell Civic Centre.

The Glee group competed in the Glee Choir Challenge hosted by The Frisson Foundation in the Motherwell Civic Centre. This was the first time many of the pupils performed in front of an audience. It was a massive success and the pupils gained lots of confidence and look forward to doing it again next year.

# Competing outside school

We have many talented pupils in our school that attend competitions or perform out with school. They often share their accomplishments with their peers and the school through twitter and at assemblies. We have pupils that compete in horse show jumping, ice skating, bike racing and many other sports.

Wow! This P6 travelled to Blackpool and competed in the Blackpool Ice Skating Festival Competition where she came 1st in her age group, meaning she is 4th in UK for her level out of 200 skaters. Well done  what an achievement [@NLActiveSchools](#) [@sportscotland](#) [#glenboigforgold](#)
