Recognition & Rewards

All of our staff volunteered their time to take at least one extra-curricular activity this year. The Sports Committee showed their appreciation by surprising them with a certificate of appreciation to say thank you.

Highest Participant Award

At the end of every term we award the pupils who attended the highest number of extra-curricular sporting sessions with a certificate at assembly. There is a certificate for a boy and girl in each year group.

Club Recognition

We like to make our visitors feel welcome when they visit Glenboig Primary. We appreciate when the visitors recognise our efforts and their appreciation on twitter.

NLC Sports Award 2019

Mrs McGowan was shortlisted for the NLC Primary School Sport Champion Award 2019. She was nominated by the Glenboig management team and many of the parents for the work she has done this year in school. Unfortunately she did not win this time but was delighted to be nominated.

A screenshot of a Twitter post from the account @GlenboigPS. The post reads: 'We are super excited to be at the NL Sports Awards where Mrs McGowan has been nominated for Primary School Sport Champion. @NLActiveSchools @LandLNLC @sportscotland #glenboigforgold'. Below the text is a photo of two women, Gemma McGowan and Katie Loughran, smiling in front of a red banner that says 'SPORT AWARDS NORTH LANARKSHIRE'.
