

# P2 Home Learning Plan WB: 27/04

Literacy	Numeracy/Maths	Health and Wellbeing	Other Areas
<p>Access phoneme and spelling words from spelling city. Complete at least one game each day.</p>	<p>Big Maths - write out your learn its, or practise these using your purple 'learn its' sheet.</p>	<p>Complete some Mindful Meditation for Kids on YouTube. Some ideas taken from Headspace Kids.</p>	<p>Watch News Round each week. Choose 1 story and use google to find out more about it.</p>
<p>Make your spelling words from different materials. You could use shaving foam, glitter, pasta, toys etc.</p>	<p>Write and answer 5 adding 9 questions each day. For example, <math>15+9 =</math> *Remember to add 10 then take away 1.*</p>	<p>Find The Body Coach on YouTube and complete the PE with Joe Wicks lesson for that day.</p>	<p>Research and create a family tree. You can use photos, drawings or words to help share information about your family.</p> <p>A family tree helps us to order information about our family, from the oldest to the youngest. It is a way of showing the relationship between a number of people within a family. A family tree helps us to tell our family story and share information about our past.</p>
<p>Find four different things that have your sound. Draw a picture of them and write the phoneme word next to it. Marmalade - 'ss' Jam - 'ow' (owl) Honey - 'ch'</p>	<p>Create your own analogue and digital clocks. Order these from earliest to latest. Starting from 12am.</p>	<p>Draw a poster to show your parents how to wash their hands. What do they need to do first?</p>	<p>Can you make a rainbow using building bricks or something similar in your home? How high is your rainbow going to be? Is your rainbow going to be sitting on the clouds or coming out of the ground? How many bricks have you used? Can you find three different ways of creating a rainbow using the building bricks.</p>

<p>Read a book and create a BME (Beginning, Middle and End) Try to use your own words to retell what happens in the story.</p> <p>You can use <a href="http://freechildrensstories.com">freechildrensstories.com</a></p>	<p>For the questions below, write the time using words and draw the <b>analogue and digital time on a clock</b> if you can!</p> <p>What day is it? What time did you get up today? What time did you eat your lunch? What time did you eat your dinner? How much time has passed between your lunch and your dinner? What time will you go to bed?</p>	<p>I Am an Amazing Person! Draw a picture of yourself holding six balloons. In each balloon write a sentence to explain why you are amazing. Some sentence starters are listed below.</p> <p>I am a good friend because I am really good at... I have worked hard to improve ... My special talent is... I am thoughtful because... I am unique because...</p>	<p>Playing instruments made of rubbish. Weapons of Sound are a teenage band that use rubbish to create music. Can you use things around the house to create sound.</p>
<p>Build some characters out of Lego. Tell an adult about your characters. You are only allowed to tell them about building the Lego. Tell them why you choose the colour yellow or how a character was formed, why does it have brown hair. Now try to write a story about your characters.</p>	<p>Complete a SumDog game</p>	<p>Show kindness to your parents by helping them out with a chore. This could be making your bed or cleaning the dishes.</p>	<p>Find out how to say these words in <b>German</b>:</p> <ul style="list-style-type: none"> <li>- Hello</li> <li>- My name is</li> <li>- What is your name?</li> <li>- I am a (boy/girl)</li> </ul>
