

P3/4 Home Learning Plan WB: 27th April

Literacy	Maths/Numeracy	Health and Wellbeing	Other Areas
Access your words on Spelling City and play at least one game every day.	Complete the tasks set for you on Education City	Physical: Access GoNoodle and choose three Zumba videos to follow. Try to create your own Zumba routine that you could teach to someone.	Have a go at the Sumdog challenge set for you
Spelling and Phonics: Create a spelling story which includes all of your words for this week. Try to make it as interesting as you can!	Number Processes: Play the "Daily 10" on TopMarks and write your working in your jotter. P3 - Level 2, subtraction, two-digit numbers with decomposition P4 - Level 3, subtraction, three-digit numbers minus tens	Physical: Find The Body Coach on Youtube and complete today's "P.E. with Joe" lesson.	German: Access www.german-games.net and play some games to help you to learn your German vocab.
Spelling and Phonics: Spell your words out loud doing a star jump, hop, jump, squat or burpee for each letter.	Number Processes: Find 10 ways to make the number using subtraction: Medium: 25 Hot: 54 Extra Hot: 106	Mental and Emotional: Think of kind things to do to help someone in your house. Make them into a calendar for May. Choose one thing for each day such as taking out the rubbish, making your bed and making someone laugh.	Technology: Find some recyclable materials in your house. Build a junk model using them and draw a picture of it in your jotter. Give it a name and label its parts.
Reading: Log on to Epic! Reading with the class code ewt2293 . Have a browse through the books and choose one to read. Then create a summary of the story, either using a paragraph or comic strip style.	Fractions: Draw 5 pizzas in your jotter. Colour them to show a WHOLE, HALF($\frac{1}{2}$), QUARTER ($\frac{1}{4}$), THIRD($\frac{1}{3}$) and THREE-QUARTERS($\frac{3}{4}$). Challenge: Draw 4 more pizzas and colour them to show a FIFTH ($\frac{1}{5}$), SIXTH($\frac{1}{6}$), EIGHTH($\frac{1}{8}$) and TENTH($\frac{1}{10}$).	Mental and Emotional: Make a telephone/video call or write a letter to someone in your family that you love and haven't seen for a while.	Music: Find out what song was number 1 on the day you were born. Try to find this out for everyone in your house. Listen to the songs and explain which is your favourite.
Writing: Pretend someone from the Stone Age has time-travelled and is visiting you. Write a narrative story about where you took them, what you saw and if they enjoyed it. Remember to use your core targets throughout.	Fractions: Create a poster detailing what you have learned during our "Fractions" topic in class. Try to include informations, diagrams and headings. Make the poster as eye-catching as you can!	Mental and Emotional: Each day, draw a picture and write about something which makes you smile. Then, whenever you feel sad or lonely, you can look at it and it might help cheer you up!	Art and Design: Choose 3 to 5 objects in your house. Draw and shade or colour them in a still-life style picture.
