

# P3/4 Home Learning Plan WB: 18<sup>th</sup> May

Literacy	Maths/Numeracy	Health and Wellbeing	Other Areas
Access your words on Spelling City and play at least one game every day.	Complete the challenge set for you on Sumdog	<b>Physical:</b> Access Just Dance on Youtube and choose a video to dance to.	Complete the tasks set for you on Study Ladder
<b>Spelling and Phonics:</b> Try to make all of your spelling words for the week in a creative way using items from your house. You can share a picture of this with your classmates and myself on Twitter or Teams.	<b>Number Processes:</b> Play the “Daily 10” on TopMarks and write your working in your jotter. Select “Manual” for your question interval. P3 – select Level 2, addition, two digit numbers with carrying P4 – select Level 3, addition, three digit numbers + ones	<b>Physical:</b> Search for Discovery Education. Select log-in and choose the option for Espresso. Log in with the details username: <b>student13908 Password: g690ja</b> Select First Level; PE; Street Dance and have a go at learning the dance. We could try it together when we get back to school!	<b>Science:</b> Access Espresso with your log in details. Select First Level; Science; Materials; Activities (on the left hand bar). Have a go at the three Materials activities.
<b>Spelling and Phonics:</b> Bubble write your spelling words and colour them in.	<b>Number Processes:</b> Have a go at the Snakes and Ladders Addition Game uploaded on Teams. It’s great to play on your own or with someone in your house. You can even create your own on the blank template or on paper!	<b>Physical:</b> Create your own Obstacle Course in your livingroom or garden if you have one. Time how fast you can complete it and try to beat your best time.	<b>Social Studies:</b> Watch Newsround once a day. Choose one story to find out more information about. Use this topic to create a powerpoint, poster or information report.
<b>Reading:</b> Choose a book on Epic! Use your prediction skills along with the cover and blurb to write a paragraph predicting what the book will be about. After you read the book, assess how well you predicted the story.	<b>Pattern:</b> Can you create a pattern using movement? It could be a dance or a sequence of travelling movements. How many movements will you include and how will they be repeated?	<b>Mental and Emotional:</b> Make a list of 5 things that make you happy, 4 worries that you have, 3 things that make you sad and 2 things that make you laugh and 1 thing that makes you angry 1. Discuss these with someone in your house. It’s important to share our emotions especially at a difficult time.	<b>Technology:</b> Design your own Adventure Centre. Draw a picture of the inside and outside, labelling the important parts. You could make a poster or advert for the Centre including opening times and prices.
<b>Writing:</b> Choose a famous fairytale such as Jack and the Beanstalk or Goldilocks and the Three Bears. Create a sequel to the story, including an exciting or surprising event.	<b>Pattern:</b> Try out the Pattern worksheets I have uploaded to Microsoft Teams.	<b>Mental and Emotional:</b> Use your knowledge from your learning with Mrs Smithson and try to make a brain from different coloured play dough.	<b>Expressive Arts:</b> Design a name sign for your bedroom door or another room in the house. Show your personality by including colours and pictures of things you like.
