

P3/4 Home Learning Plan WB: 1st June

Literacy	Maths/Numeracy	Health and Wellbeing	Other Areas
Access your words on Spelling City and play at least one game every day.	Times Tables: Keep fit whilst practising your Times Tables on BBC Supermovers	Physical: Access the Just Dance Youtube channel and choose some dances to complete.	Have a try at our 2 nd Sumdog competition – can anyone defeat last weeks' Champion?
Spelling and Phonics: Can you draw some Elkonin boxes and fill in your words? Remember each box gets 1 sound!	Number Processes: Play the “Daily 10” on TopMarks.: P3 – Level 2 / P4 – Level 3 Select multiplication and choose some tables to challenge yourself!	Physical: Access Cosmic Kidz Yoga on Youtube and choose a yoga video to follow.	Design your own Family Day Trip to the zoo using the Step cards on Teams to help you.
Spelling and Phonics: P3 – can you draw a phonics grid with 8 of your words writing the word and drawing a picture? P4 – Can you diacritically mark your spelling words?	Number Processes: Head over to Teams to take part in our Multiplication and Division “Escape Room”! Complete the challenges on the power point, then click the link to take you to the room. Enter the codes you found to see if you can escape!	Talk to a member of your family about the different types of doctors there are. What types of doctors are there? What do they look after? Why are there many different doctors? Is it the same for nurses?	Science: Draw an alien and create a visualiser of it. Think about its features, colour, size and body coverings. Include as many adjectives and adverbs as you can.
Reading: JK Rowling is releasing chapters of her new story “The Ickabog”. Have a go at reading the chapters online at https://www.theickabog.com/home/ . Don't worry if you find it tricky – you can listen along to audio versions on YouTube!	Shape: Access Discovery Education – Espresso with the username Student13908 and password g690ja. Select First Level, Maths, Geometry then Activities and have a go at some of the 2D Shape and 3D Object interactive activities.	Create a factfile all about an aspect of the human body. Include a title, a blurb about what the factfile is about, pictures and diagrams and facts and information. Make sure it is bright and colourful and written in your own words.	Art and Design: Along with “The Ickabog” Story, JK Rowling has released an ongoing art competition on the website. Why don't you use your visualiser skills to take part in one (or more) of the activities!
Writing: The Ickabog was written as a bedtime story for children. Write your own bedtime story for a young child to hear. The child should have happy thoughts as they fall asleep, and they should be able to picture the story as they hear it through your use of descriptive language.	Shape: Play a game of “Guess the Shape”. Think of a 2D shape or 3D object and get someone in your house or on the phone to guess the shape. They are only allowed to ask 10 questions and the answers to the questions must be YES or NO. There are possible questions to help you on the file on Teams.	Talk to someone in your family about the facts and information you found out about the human body. Ask them to ask you some questions about the human body and see how many questions you can answer! If you can't answer some, work with your family member to try to find the answer.	ICT: Internet Safety – We need safe and secure passwords when we open accounts online. Access the “Perfect Passwords” worksheet on Teams and come up with some of your own!
