We've enjoyed chatting to some of you on Teams. Remember you can log on at any time for some help or a chat with your friends. Keep up the great work with your home learning.

| Literacy |
| :--- |
| Spelling: Log onto your Spelling City account |
| and take part in some of the activities and | and games for your weekly spelling words. Week Beginning 01.06.20. I will be able to see your activity and progress.

Reading: Log onto Epic Reading. Our class code is umdO226.

Read pages 5-18 of The Red-Headed League (use the page numbers that are on the book, not on the progress bar at the bottom!) and complete the following tasks:

1) Using metalinguistic strategies work out the meaning of the following words: florid (pg5), judicial (pg5), chronicle (pg5), portly (pg7), chagrin (pg7)
2) Create a visualiser of Mr Jabez Wilson. Remember to paraphrase, include quotes and page numbers. Once you have completed your visualiser you can draw a picture of what you think Mr Wilson looks like
3) Write down the main events and summarise what you have just read. Don't forget to try and get at least one main event from each page, then accept and reject to help you to write your summary in your own words.

Writing: Recounts- This week I would like you to write a diary entry all about a typical day in lockdown. What do you do? How do you feel?

The link below will give you some hints and tips!
https://www.bbc.co.uk/bitesize/articles/z6yx+39

Sumdog: Log onto your Sumdog account. I have set some challenges for you. Practise your maths skills.
I will be able to see your activity and progress.

Division - Pythagoras \& Turing: Can you write you remainders as a decimal?
(1) $438 \div 4$
6 (2)
(5) $9752 \div$
$1 \div 8$
(4) $4871 \div 6$
(8) $97532 \div 7$
(7) $1678 \div 3(8) 97$
Division - Pascal:
(1) $12 \div 2$
(2) $25 \div 5$
(3) $30 \div 10$
(4) $8 \div 2$
(5) $15 \div 5$
(6) $80 \div 10$

Complete the questions below using the correct calculations.

PE: Go onto YouTube and take part in the Body Coach's school workouts each day.

Create your own fitness challenge and nominate someone through your Teams to give it a try.

Job watch: Watch the when I grow up series to learn more about what you would maybe be good at when you are older.
https://www.channel4.com/programmes/when-i-grow-up/

Mindfulness colouring- Draw a picture made entirely from shapes and colour it in, it should have lots of detail. You could use ICT to create one and post it to Teams for others to try.

## Transitions

Differences- Write down as many things as you can that will be the same in high school as primary. Write a list of as many things that you think will be different.

Outdoor Learning: Chalk creations: create a game outside using chalk or another resource. If you are stuck search google for lots of great ideas. Alternatively get arty and draw a picture outside with your chalk.

## Other Areas

Art: You Are What You Eat - draw a person made up of your favourite foods. Perhaps the person has pasta hair and donut eyes. Would the arms be ice cream cones or chicken drumsticks?
*P7 Profiles* - The P7 profile is a way for the High School to get to know you better and for you to reflect on your learning style. Please complete the last two pages of the profile.
Remember these have been emailed out or can be downloaded from the school blog or teams.

German: Practise your German vocabulary using the website: https://www.german-games.net/

## Science/Technology: Gummy bears

Put a gummy bear in water and leave for 4 days. Write a lab report for this experiment include: Title, purpose of experiment, hypothesis (what you think will happen), materials and method. After the 4 days add in the results and a diagram.
RME: Find out what the symbols are for different religions of the world and draw them (Christianity, Buddhism, Sikhism, Hinduism, Islam, Judaism) e.g. Christianity - cross
